

12TH APBC REPORT

The 12th APBC was held from 14th - 17th Aug 2019 at the Academia, Singapore General Hospital. This landmark event was attended by 530 overseas delegates, 43 invited speakers and a 187 local delegates. The congress featured the following highlights

- Pre Congress workshop that featured Skin banking workshop, Operation Theatre simulation training, Psycho social ,Rehabilitation and Laser workshops
- Opening of the enhanced burn centre as well as the burn centre tour opened to the delegates
- "What we are doing" country/regional representative shared and updated APBA the state burn care in their respective country/region
- Launch of the APBA skin banking guidelines
- Burn Survivor Forum and Art Exhibition

The organising committee will like to register our appreciations for the advice from the APBA members and the support from ISBI.
